Inaugural Workshop of the IADR APR Mentor-Mentee Programme

Welcome to the Inaugural workshop of the IADR APR Mentor-Mentee Programme, an innovative and inspiring virtual event where you can engage with and learn from leading researchers in the field of dentistry.

Thursday, 22 August 2024

Join via Zoom Webinar:

14:00 – 17:00, | Brisbane Time

<https://ugz.zoom.us/j/8364649448>

12:00 – 15:00, | Hong Kong Time

The IADR APR Board of Directors, with support from the APR Mentor-Mentee Taskforce, is delighted to announce the launch of the inaugural Workshop of the IADR APR Mentor-Mentee Programme.

This workshop showcases emerging junior researchers in the field of dentistry and provides guidance from esteemed senior scholars of IADR APR. We invite you to join us for innovative talks, knowledge exchange, and opportunities to network and collaborate with peers and leading experts in dental research.

Should you have any queries, please feel free to email the IADR office at APR@iadr.org.
